

Track No.	Track Name		Description	Time allocated for presentation
T1	Green technology	No prototype/model demo. POSTER ONLY	Green & alternative energies, green chemistry, green building, green nanotechnology, green city, green vehicles	10 minutes
T2	Sustainable development	No prototype/model demo. POSTER ONLY	Sustainable industrial technology, waste management and disposal, sustainable water management, sustainable transportation, sustainable economics	10 minutes
T3	Sustainable development- Energy and intelligent management	No prototype/model demo. POSTER ONLY	Energy management, energy storage systems, energy efficiency, energy conservation, energy development, micro & nanodevices, smart grid	10 minutes
T4	Engineering social sciences	No prototype/model demo. POSTER ONLY	E-commerce, technical professional behaviour, technopreneurship, E-learning, strategy management, marketing management, knowledge management	10 minutes
T5	Project management	No prototype/model demo. POSTER ONLY	Pre-contract, post-contract, risk management, quality assurance, safety and health management, TQM	10 minutes
T6	Theoretical/Experimental Sciences	No prototype/model demo. POSTER ONLY	Material Studies, Pure mathematics, Quantum Optics, Fundamental Sciences	10 minutes
T7	Applied Mathematics, Process Automation, and Simulation	No prototype/model demo. POSTER ONLY	Financial Data Analysis, Statistical Quality Control, Algorithms Optimization, Optimization Techniques, Risk Analysis, Regression Analysis, Mathematical Modelling	10 minutes
T8	Applied Engineering (NP)	No prototype/model demo. POSTER ONLY	Without prototype: Design and integration of systems, the execution of new product designs, the improvement of manufacturing processes	10 minutes
T9	Industrial Case Study	No prototype/model demo. POSTER ONLY	Investment and Trading, Financial Modelling, Actuarial Modelling, Insurance Practice, Actuarial Expository Project	10 minutes
T10	Architecture Building Design	POSTER ONLY	Social issues in an urban context, community revitalization and suburban sustainable building design	15 minutes
T11	Software Design and Prototypes (P)	BOTH Prototype/model demo AND POSTER	With prototype: Mobile application, web application, Intelligent systems, Emerging Software Framework, User Interface Design	15 minutes
T12	Applied Engineering (P)	BOTH Prototype/model demo AND POSTER	With Prototype: Design and integration of systems, the execution of new product designs, the improvement of manufacturing processes	15 minutes
Most liked poster				
P: With prototype		NP: No prototype
