

LEE KONG CHIAN FACULTY OF ENGINEERING AND SCIENCE (LKC FES)

Timetable Arranging Program (TTAP)

Having problems finding the right timetable?

Are you facing problems of courses clashing, too much gap between classes, too many options to choose from during registration?

TTAP have a solution for you. Try out The **Timetable Arranging Program (TTAP)** developed by A Team from Software Engineering Programme Sungai Long Campus.

TTAP can assist in finding optimal solution during your course registration.

TTAP and Tutorial can be downloaded from the following link.

This application only runs on Windows 7/8/10 platform with support for .Net Framework 4.0 and above.
