## KPMG ASEAN SCHOLARSHIP

KPMG ASEAN Scholarship is a scholarship programme for South East Asia students established in 2015 as the first regional scholarship for young undergraduates looking to get a head-start in their careers with a professional services firm. This programme is supported by KPMG offices in Indonesia, Malaysia, Singapore and Thailand. At the heart of KPMG are our people. We are constantly on the look-out for bright and talented people like you, because we know you have the potential and the ability to change the future for the better. Your dreams and your ambitions will have a place to flourish at KPMG because we are interested in stretching your potential and accelerating your professional success. As a KPMG ASEAN scholar, you can look forward to diverse learning and development opportunities and cross-border exposures through a structured programme.

### Benefits:

- Overseas internship opportunities in ASEAN countries (Singapore, Malaysia, Indonesia or Thailand), subject to firm's selection and availability
- 2-year working opportunity after graduation with any one of the 4 KPMG member firms, subject to firm's selection and availability
- Talent pool with cross-cultural understanding, regional working experiences and perspectives to provide exposures to scholars
- Network and community built early among ASEAN countries
- Provide ASEAN opportunities for the best and brightest students

### Eligibility criteria:

- A self-motivated achiever with a consistent and strong academic track record of excellence in the following:
  - SPM / O-Levels / Equivalent : 6As and at least B for English & Math; **and**
  - STPM / A-Level / Equivalent : 2Bs and above; **and**
  - Degree : CGPA 3.20 and above / 2nd upper or equivalent
- Students must maintain at least a minimum of CGPA 3.20 out of 4.00 during their course of studies at the university
- Undergraduates from first or second year
- Actively involved in co-curricular activities either in school or in the community
- A strong leader who possesses ASEAN and global mindset
- An excellent communicator who demonstrates a high degree of initiative, maturity and enthusiasm
- Self-confident and have the determination to succeed
