Jalan Universiti Bandar Barat, 31900 Kampar, Perak

To: Dean of Engineering Faculty

Dear Sir,

RE: EMPLOYMENT OPPORTUNITIES

We are a well-established company in Malaysia and has job openings in our KL Branch for the post of Technical Sales Engineer marketing our Renewable Energy – Heat pump & Solar Hot Heating Systems and wish to invite interested fresh graduate/s to apply.

Our requirements are:-

Degree in Mechanical Engineering or equivalent.

HVAC background

Exposure to renewable energy, and or water heating background preferred

CAD drawing skills required, reading of engineering drawings, able to create schematics

Ability to work independently and under pressure

Computer literate

Able to work on site during commissioning when required

Mechanical plumbing knowledge will be an advantage

Appreciate very much if your faculty can assist to post in your faculty newsletter. Interested graduate/s can direct their application to our office :-
